

### Intended Audience:

The intended audience for this conference includes primary care physicians and specialists in emergency medicine, neurology, and neurosurgery. Residents, fellows, physician assistants, advanced practice nurses, nurses, radiology technicians, and other physicians with an educational need or interest in this topic may also attend.

### Overall Learner Objectives:

The 7th Annual South Jersey Neurovascular and Stroke Symposium will serve to build on improving the care of stroke and neurovascular patients in the region. The symposium will feature topics presented by specialists in the management of neurovascular patients in both emergent and nonemergent settings.

Topics will include best practices utilized across the nation to reduce door-to-needle times, improve patient outcomes, and improve patient and general medical provider recognition of neurovascular emergencies.

Participants will leave with a greater understanding of the complex nature of neurovascular patients, and what the future may hold for this dynamic field of medicine.

### Accreditation/Designation/Disclosure:

The Cooper Health System is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians. The Cooper Health System takes responsibility for the content, quality, and scientific integrity of this CME activity.

The Cooper Health System designates this live activity for a maximum of **7.5 AMA PRA Category 1 Credits™**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Successful completion of one hour of a continuing medical education (CME) course recognized by the American Medical Association, the American Osteopathic Association, or the American Podiatric Medical Association is equal to one hour of continuing education for New Jersey nursing license renewal (New Jersey Board of Nursing 13:37-5.3).

All planners, faculty, and others participating in continuing medical education activities sponsored by The Cooper Health System are expected to disclose all financial relationships.
