

Ninth Annual Camden Scholars' Forum Poster Contest

Save the Date! Cooper University Health Care and Cooper Medical School of Rowan University (CMSRU) present the Ninth Annual Camden Scholars' Forum Poster Contest beginning on **April 6, 2022**.

This program recognizes outstanding achievement in research and performance improvement. All eligible posters will be judged by CMSRU clinical and biomedical science faculty and scored for the abstract, poster design, title clarity and completeness, methods, results and discussion/conclusions. Contest winners will give a short oral presentation about their project at the Winner's Forum.

This event will be held online. **NO PHYSICAL POSTERS WILL BE ACCEPTED!** Please carefully read the instructions that will help guide you to a successful poster submission.

Categories for Poster Applications:

Clinical	Nursing Research
Basic	Allied Health
Case Study	Performance Improvement (PI)
Medical Student	

The Application link will be activated on the Cooper intranet January 10, 2022:

<http://assets.cooperhealth.org/researchweek/>

Performance Improvement projects include Quality Improvement, Quality Assurance, and Patient Safety projects. The intent of these projects should be aimed at improving local systems of care and not generalized results. If you plan to submit a PI project and need the Project Description Form, please contact Krystal Hunter at hunter-krystal@cooperhealth.edu.

New! Contestants can now request data from Informatics for research or QI projects from EPIC. The link for data acquisition is: [Cooper-SurveyMonkey Data Acquisition Request Form](#) . This form is also available on the CRI webpage.

Important Dates and Deadlines to Keep in Mind

- Cooper IRB approval (if necessary) deadline is **Friday, January 28, 2022**.
- Contestant Applications deadline is **Friday, February 25, 2022**.
- Final Biostatistics meeting (if necessary) is **Wednesday, March 16, 2022**.
- Contestant Abstracts and Poster PDF Slide deadline is **Friday, March 25, 2022**.
