RE: **Cooper University Health Care**
Ronald McDonald House Relocation

Dear Sir / Madam:

Your firm is hereby given notice of an opportunity to submit a proposal for Geotechnical Engineering Services on the above referenced project. This request for proposal is part of a competitive selection process to engage a firm to provide Geotechnical Engineering Services. The specific requirements are set forth in the attached copy of the Request for Proposal.

- Please address your proposal to:

Kristine Dwyer, Senior Project Manager – dwyer-kristine@cooperhealth.edu

Robert Stag, Manager Contracting – stag-robert@cooperhealth.edu

Faith Orsini, Vice President Planning, Design and Construction – orsini-faith@cooperhealth.edu

- Questions will be due on **May 24, 2024**. Responses provided on or before **May 31, 2024**
- Proposals will be due on **June 7, 2024**.

Please reach out to me at: dwyer-kristine@cooperhealth.edu or 609-634-1184 with questions.

Cooper University Health Care is looking forward to partnering with Ronald McDonald House Charities on this project, to create a supportive and healing environment for our Patients' families.

Sincerely,

Kristine Dwyer
Senior Project Manager
Cooper University Health Care
